Thank you! Thank you! Thank you!

Garrett and I would like to send our deepest and most heartfelt thank you to everyone who prayed for us and our son Hank over the last few weeks while we were in the NICU. He was born on December 27th and needed to immediately be rushed to the St. Cloud NICU due to breathing difficulties. Over the three weeks that we were there, they were able to slowly decrease the amount of support he needed for breathing and daily functions. Multiple nurses and doctors told us that from where he started, it was absolutely astounding how quickly he progressed. Another nurse said that when she sees kids like Hank, she truly does believe in miracles. We know that this is all because of the amazing prayer warriors that we had at home! We were told you all were praying for us and this helped us during this difficult time. Although the last month was scary, it truly did renew our faith and remind us how powerful our God is. Hank is home now and is doing well! Thank you again from the bottom of our hearts—we will never be able to express our gratitude enough. God bless you!

-Garrett & Emily Leusink
