All Things New:

Honoring the past, inspiring the future.

Work continues for the diocesan-wide pastoral planning process. Our Area Catholic Community (Paynesville, Roscoe, Lake Henry & Eden Valley) planning committee has met with diocesan facilitators to learn more about the future design for the diocesan planning process.

As a committee, we continue to engage in conversation and begin to discern where the Holy Spirit is calling us. We encourage all of you to pray for the guidance of the Holy Spirit through this process.

Thank you!

Everyday Stewardship

I often lead group prayer with similar words: "Give us the wisdom to know Your will for our lives and the courage to follow it as we seek to make our community a clearer reflection of the Kingdom of God." The words acknowledge that we need to be about God's will, not our own, and in that journey, we will bear greater witness to the transforming power of Jesus Christ.

We talk about how we are called to live a stewardship way of life and that we have been given many good gifts, but it is never truly about us. We are never the main thing. In the same manner, it is never really about our parish. Our combined stewardship may lead to many fruits, like an increased offertory or more vibrancy in parish life. However, it is always about the Kingdom of God and the King, Jesus Christ.

Through our stewardship, we allow our parish community to shine like a city on a hill for others to see and then be drawn toward Jesus Christ. It is about leading people to heaven. Our actions of stewardship do not point toward us but instead to the one who calls us to this life. Our constant prayer needs to be that we always seek to discern God's will and follow it instead of our own. By doing that, we can transform our own lives, our parish communities, and then the world around us.
