Stewardship as a Way of Life:

“I am praying for them...” John 17:9

Prayer is the foundation of our Faith and the foundation
of Stewardship. Prayer is always the first best option in
any situation - not just our last resort. Pray for friends
and family, and especially for those that don't treat you
very well. Pray to give praise, to thank, and to ask God
for help. Pray to see what God wants you to do with the
gifts He has given you. Teach others how to pray. It has
been said that teaching someone how to pray is the best
gift you can give someone. ©LPi

Everlasting Easter

The Easter season is almost over. This season is always a tougher one for us Catholics. We get Advent and Lent: preparation. We are on board with Christmas, mainly because we like to keep up our decorations until someone tells us the exact day we must take them down. But Easter as a season is a bit more difficult to observe. The rest of the world has moved on. There are no Easter eggs left in store windows and all those religious movies on television have given way to reruns or season-ending episodes. It just feels like Easter anywhere ... except in the Church.

The truth is that it should feel like Easter all year-round in the Church. Every Sunday, we celebrate a mini-Easter. Our Lord is ALIVE! He is risen and alive, and we need to celebrate. We also need to be about the work of the Lord. We are an Easter people who bear witness to his resurrection through our stewardship. If he had never risen, then we would be called to nothing by no one. But he lives! As this Easter season is drawing to a close, it is prudent to reflect on what his death and resurrection mean for each of us. How has it changed us? How does it motivate us? It doesn't look like Easter in most corners of the world, so it is up to us to bring a little Easter to every place we go and to everyone we meet.
