Steubenville Recap We took three young men to Steubenville this year. The theme for the conference was Worthy and focused on the story of David and Goliath. The world may rank worth by appearance, smarts, or success. This may cause others to love us less. But God loves us simply because He allowed us to exist. He loves us as His children. He chose David to be anointed king over his more tall and handsome brothers. God will choose us to do great things, not because of our talents necessarily, but because of our faith in Him. Thank you for supporting students having the opportunity to attending events like these.
